Shoulder widening from Karcher Road to Franklin Boulevard begins next week

Beginning **September 26**, crews will be working to **reconstruct and widen** the shoulders on I-84 between **Karcher Road** and **Franklin Boulevard** in Nampa.

**Here's what you need to know:**

- All lanes of traffic will remain **open** between 5 a.m. and 10 p.m. in each direction.
- During overnight hours (10 p.m. to 5 a.m.) traffic will be reduced to one lane in each direction.
- Speeds will be reduced to **55 mph** during day and night. Construction will occur on the shoulders during the day.
- Construction is expected to be complete in **mid-November**.

**Here's why:**

Reconstructing and widening the shoulders of the road is the first phase of the I-84 expansion project in Nampa.

Once completed, ITD will use the newly constructed shoulders to keep two lanes of traffic flowing in either direction as major construction begins in the Spring of 2019.
